Nexxus VI announces a distribution related to Immuno Holding, S.A.P.I. de C.V.

Nexxus announces that the portfolio company Immuno Holding, S.A.P.I. de C.V. (“IMMUNOTEC”), will soon be distributing resources to the Limited Partners of Nexxus Capital Private Equity Fund VI, LP and its parallel vehicle (jointly the “Fund”). Due to its performance, the amount of the distribution correspondent to the Fund exceeds 55% of the total amount invested just 8 months ago.

IMMUNOTEC is a company with over 20 years of leadership. Its products are commercialized through multi-level direct sales channels mainly in Mexico, with presence in other countries, including the United States and Canada. Among the broad product portfolio that IMMUNOTEC offers is the Immunocal family of products, which is backed up by over 40 years of clinical research and testing.
